Contact ReStore for hours.

ReStores are home improvement outlets that provide additional funding for Habitat’s homebuilding program while offering incredibly priced items to the public and diverting usable items from our landfills.

By shopping at the ReStore, you not only help make a difference in our community, you just might find that perfect treasure to complete your “special project”. Donations of building materials, furniture, and household goods are always welcomed. Call to arrange for pickup.

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, family status or national origin.

## A Christian Housing Ministry

**Habitat for Humanity of Greater Volusia County, Inc.** is a non-profit, ecumenical, Christian Housing organization which has been serving the area since 1986. Habitat for Humanity works to build or restore affordable homes in partnership with people who present need, ability to pay and willingness to partner with the affiliate.

Homeowner Candidates (future homeowners) contribute hundreds of “sweat equity” hours and purchase their homes at **no profit** to Habitat. Habitat then provides an **affordable mortgage**. All mortgage payments help to support the building of the next home. Habitat’s unique program provides approved Homeowner Candidates the opportunity to learn new skills and knowledge for successful homeownership.

We are able to accomplish our task through the generosity of others. As a non-profit, volunteer agency, we work in partnership with community organizations, congregations, cities, schools and universities, area businesses, and caring individuals.

Considering the acquisition of affordable land, site planning, permits, house plans, materials, & volunteer labor, *every Habitat* house is a labor of love—and a *miracle* in the making.

## To Apply for a Home

Habitat Homeowner Candidates are selected based on the following criteria:

### HOUSING NEED

- *Currently living in substandard housing and a resident of our affiliate area for at least 1 year*

### ABILITY TO PAY

- *Adequate income to support expected mortgage, taxes, and insurance costs*
  - *Meeting current financial obligations*

### WILLINGNESS TO PARTNER

- *Sweat equity commitment of service hours*
  - *Participation in homeownership and financial literacy classes*

*After closing, each new homeowner assumes a mortgage with a monthly payment that includes the mortgage principal, homeowner taxes and insurance.*

Each Habitat homeowner’s principal mortgage payments support the building of future homes. Therefore, each new homeowner joins our other community supporters and becomes an integral participant of neighborhood improvement and community revitalization both locally and globally.
